

The Vintage Connoisseur

Laid back. Charming. Classic. Tasteful.

Laid back, yet oozing with class - this quintessential country-style kitchen with lots of calming shades and wood is a collector's paradise. Specially designed as an ode to classic connoisseurs who would love to flaunt their world, there is something cozy about this kitchen's vibe. So, if you would like your kitchen to do the talking, this one's definitely for you.

SEE-THROUGH CROCKERY CUPBOARD

This elegant see-through crockery unit serves as much more than a storage solution. It's where you could flaunt your beautiful large white bowls, heirloom tea sets and the works. So, while you host your favourites in this classic kitchen, be prepared to make them envious of your collection.

WATCH OUT FOR

GLASS MESH WALL UNIT

Make your kitchen come alive
with easy access see-through
lift-up wall cabinets.

CURVED SHELVES ON ISLAND

Break the monotony of the flat island surface with this conveniently accessible curvy storage solution.

CONCEALED CHIMNEY

Aesthetically conceal the metallic parts of your chimney and add a sense of seamlessness to your wall cabinet shutters.
